

Available for Your Future ICT Career Path

Huawei Certification is an integral part of the company's "Platform + Ecosystem" strategy, it supports the ICT infrastructure featuring "Cloud-Pipe-Device". It evolves to reflect the latest trends of ICT development. Huawei Certification consists of two categories: ICT Infrastructure, and Cloud Service & Platform. Huawei offers three levels of certification: Huawei Certified ICT Associate (HCIA), Huawei Certified ICT Professional (HCIP), and Huawei Certified ICT Expert (HCIE).

Huawei Certified ICT Associate series certification is an indicator for proving an individual's capability as an associate engineer in a given technical field.

Benefits

The HCIA series certification provide a valuable first step in acquiring the knowledge and skills needed to work in ICT industry, and can be a valuable part of beginning a career in the exciting and growing field of ICT.

- Gain the fundational knowledge and skills to prepare for more advanced job roles.
